General

- 3 artists on tour: Mateo Girón, Niko Miettinen, Richard Fox
- catering: no vegetarians, no allergies
- hotel: 3 x single room
- transport: 1 car with trailer
- secured dressing room
- sufficient drinking water available

Show

- duration: 40 minutes
- not possible when raining or with extreme wind
- preferably outdoors but also possible indoors or in a circus tent
- 360 ° audience, all ages
- capacity: no limit, depending on visibility
- performance area: 10m x10m, hard, stable and flat. Maximum slope 1.5%
- for a smooth set-up please send photos of the performance area beforehand
- in case of grass, a leveled stage floor of 10m x 10m must be provided. The spot for the Chinese pole must be able to carry a load of 1000kg, check plan for exact location and dimensions. In the case of stage floor, the audience will be partly seated on the stage floor.
- height above the performance area: minimum 7.5 m (in case of stage floor: measured from the stage floor)
- in case of hard ground or when it is not possible to use ground anchors up to 80 cm deep, 3 weights of at least 500kg with anchor point must be provided. The weights need to be placed according to the plan attached and preferably in the presence of the artists.
- vehicle access for loading and unloading in proximity of the performance area
- build-up: 45 minutes, tear-down: 30 minutes
- the performance area must be accessible to the artists at least 20 minutes before show time for warm-up and pre-show
- minimum 2 people for crowd control during the show
- 1 person to guard the performance area when the artists are absent (before, after and between shows)
- an alarm gun is used in the show

Music

- we provide the music system
- setup adapted to 360 ° audience: 3x200W on top of the Chinese pole + 2x800W on the ground
- 220v 16A, extension cord to the performance area
- we use a wireless microphone: 2.4GHz band (digital)
- music controlled by the artists on stage
- copyrights music to be arranged by the organizer. Tracks:
 - The Routers: Let's Go (Pony)
 - Toners: Rock and Roll Part 2 (The Hey Song)

Light

- in case of performances at nightfall, in the dark or indoors without daylight, lighting must be provided by the organizer. Lighting plan on request.
